Sportplex Hosts Its Third Annual Parc éphémère

Châteauguay, February 25, 2019 – On **Sunday, March 3, from 9 am to noon**, Parc éphémère, a temporary park, will be hosted in the brand new Sportplex for a third year in a row. Children from ages 0 to 6 will be able to try many gym activities in the company of their parents. Plenty of fun is in store!

For three years now, the Parc éphémère has kicked off the spring break activities. Its concept is to provide a common play area for a few hours that transforms into a gigantic game area where children are invited to try a whole range of sports and other activities.

The program will include activities such as inflatables, rouli-cars, soccer, badminton, crafts, Zumba and much more! The library will also set up a booth to present its activities and will organize a reading corner for children who want to rest for a few minutes. In addition, the Sportplex's new facilities and large area provide many new features for the public to discover!

A breastfeeding area will be set up for mothers. Changing rooms will also be available for participants. Since the wearing of boots is prohibited on the game floors, it is suggested that you bring your shoes.

The admission fee is \$8 per child / \$2 per adult / \$20 per family upon presentation of proof of residence for Châteauguay and Beauharnois residents. The event is also open to families from outside the region at a rate of \$10 per child / \$4 per adult / \$28 per family.

Although the park is primarily designed for young children, parents must remain on the site and are therefore strongly encouraged to participate in activities.

The Sportplex, whose facilities were completed only a few months ago, is located at 195 Brisebois Blvd.

For a complete list of activities to do during the spring break, visit our website at www.ville.chateauguay.qc.ca/relache-scolaire.
